

Facility Services

Colliers | Columbus is a full-service commercial real estate organization serving clients nationally and internationally. Locally, we have evolved into one of the most significant commercial real estate companies in Central Ohio. We are committed to being an industry leader and have structured our firm to best serve the needs of our clients by providing a wide variety of professional services.

Colliers | Columbus offers a robust Facility Services division that prides itself on an exceptional level of customer service and expertise. We provide quality control audits, preventative maintenance programs, and expense savings through in-house repairs completed by our highly qualified and specialized technicians, at favorable rates.

HVAC Repair and Maintenance

Whether repairing or updating your heating and cooling systems or performing preventative maintenance program, we deliver service you can trust.

Plumbing Repair and Maintenance

From clogged drains to repair or replacement of leaking pipes or plumbing fixtures, we handle it right the first time.

Electrical Repair and Maintenance

Offering lighting repair, installation, retrofits, wiring installation and repairs to switches, outlets, etc., we've got you wired.

Exterior Maintenance

Keeping the grounds clean, exterior lights working, roof and building envelope in good repair. We keep your properties well-maintained and tenants happy.

Special Projects

Offering assistance on a variety of tasks, such as repainting an office, assembling furniture, or even mounting whiteboards and TVs. We are happy to help. There is no project too small!
